Plum Lovin': A Stephanie Plum Between The Numbers Novel

Synopsis

From #1 blockbuster bestselling author Janet Evanovich comes a Stephanie Plum novel that takes adventure, action, suspense (and maybe even true love?) to new heights. WATCH YOUR BACK . . . LOOK BOTH WAYS . . . BECAUSE LOVE IS IN THE AIR . . . AND THAT MEANS BIG TROUBLE! Mysterious men have a way of showing up in Stephanie Plum's apartment. When the shadowy Diesel appears, he has a task for Stephanie--and he's not taking no for an answer. Annie Hart is a "relationship expert" who is wanted for armed robbery and assault with a deadly weapon. Stephanie needs to find her, fast. Diesel knows where she is. So they make a deal: He'll help her get Annie if Stephanie plays matchmaker to several of Annie's most difficult clients. But someone wants to find Annie even more than Diesel and Stephanie. Someone with a nasty temper. And someone with "unmentionable" skills. Does Diesel know more than he's saying about Annie Hart? Does Diesel have secrets he's keeping from Stephanie and the two men in her life--Ranger and Morelli? With Stephanie Plum in over her head, things are sure to get a little dicey and a little explosive, Jersey style!

Customer Reviews

Evanovich turns out novels faster than her bounty hunter, Stephanie Plum, downs doughnuts, and that's pretty quick. Though Plum is at the center of this novella, the elusive quarry is love, not for herself but for the lonely hearts she must fix up by Valentine's Day. Her sidekick for this adventure is Diesel, who appeared briefly in previous "Between-the-Numbers" novellas. Lorelei King, who has

brought out the best in this series, plays Diesel with aplomb. He sounds more like the tranny Sally on testosterone than like Morelli and Ranger, the curiously absent macho men in Stephanie's life. Other reappearing characters, like Lula and Plum's family, make cameo appearances, leaving room for some newbies, including a lovelorn vet, who sounds a bit too dumb to have ever gotten through school. King does better with an overcaffeinated butcher, who comes to life only on the topic of sirloin. King has fun with his stuttering attempts to make conversation in front of Jet, whom he adores from across the street. Evanovich fans will find this audio funny and festive, down to the plum-colored CDs. Copyright © Reed Business Information, a division of Reed Elsevier Inc. All rights reserved.

A perfect Valentine's Day bonbon, a dreamy comma in the numbered series that features Stephanie Plum of Trenton, bounty hunter and gal from the Burg. A few years ago at Christmas, Diesel appeared in Stephanie's apartment. He's back, still blond, disheveled, and now hiding matchmaker Annie Hart. Stephanie is looking for Annie because she's wanted on assault. Diesel wants Stephanie to do the matchmaking in Annie's place and then he will hand her over so Stephanie can collect the bond. Is Diesel an angel? He does have a few interesting abilities, and he doesn't seem bothered by walls and doors. There is a hint of sweet magic as this odd couple bring together a butcher and a barista, a woman with too many kids and pets and a lonely veterinarian, and even Lula, Stephanie's plus-sized colleague, and Tank (longtime readers will know the silent Tank as Ranger's second in command). Evanovich keeps the language light and sweet and the action nonstop, filling a few plot holes in the main series and finally getting Stephanie's sister, Valerie, married to the ill-named Albert Kloughn on Valentine's Day. Adorable. GraceAnne DeCandido Copyright © American Library Association. All rights reserved --This text refers to an out of print or unavailable edition of this title.

Fun times with Deisel, Stephanie, and the gang. It's a light read with giggles and great descriptions of the characters. Ms Evanovich entertains me again.

As always I loved it. I love the between the numbers series almost as much as the numbers series. These are awesome books, and the characters are hilarious and loveable. Even a lot of Stephanie's skips are loveable. And the ending to this book was beyond sweet :) I highly recommend this book to anyone who loves action, comedy, and little snippets of romance.

I just happened to reread this book recently and found it just as intriguing and funny as it was the first time. If you like Diesel, be sure to read the Lizzie & Diesel series: Wicked Appetite; Wicked Business and Wicked Charms. I'm hoping there's a Wicked D. . . in the works!

Loved the book.

Awesome!!!

Couldn't put it down. I am a big fan Stephanie Plum have read most of her books. Finding between the numbers series was a great find. Gave me a great read while waiting for her next novel. This one was great. Love Diesel he sure loves to tease her, but sometimes I not sure he is teasing.

Love her books.

Stephanie Plum having luck getting other love lives straight. All is not well when it's going on. All the funny happens with Diesel.
