# Hockey In Cleveland (Images Of Sports)

## Synopsis

When the International Hockey League's Cleveland Indians took the ice in 1929, it began a storied professional hockey history that includes one of the most successful American Hockey League teams ever, the Cleveland Barons, who won nine Calder Cup championships in fewer than 40 seasons. In the 1970s, Cleveland was also briefly home to the World Hockey Association's Crusaders and the National Hockey League's Barons. The current Lake Erie Monsters continue the hockey tradition in northeast Ohio as the area's sixth professional team, spanning 10 decades and four different arenas.

## Customer Reviews

Jon Sladek is a freelance writer from Middleburg Heights, Ohio. A former staff writer for the Maxwell-Gunter Dispatch in Montgomery, Alabama, his work has also appeared in several magazines and websites. He is a veteran of the US Air Force.

I was very young in the 70's but I remember hearing about the Crusaders and the Barons. Unfortunately things didn't work out with the WHA overall and the NHL in Cleveland. But this is a good photographic history of these teams and hockey in Cleveland in general. With a brief narrative it makes an entertaining history and an interesting "might have been" for the big leagues in the area.

Really good read, only been watching hockey a few years now so the old stuff is new to me. Not too

long either so good for people that don't have a lot of time for reading. I'm going to try and get my son to read it to and get us ready for the Monsters season.

GREAT BOOK, VERY FAMILIAR WITH THIS SERIES OF MINOR HOCKEY LEAGUE TEAMS HISTORY. EXCELLENT PRICE AS WELL AS SHIPPING !!!
