Robert Black: The True Story Of A Child Rapist And Serial Killer From The United Kingdom (Detectives True Crime Cases Book 1)

Synopsis

This book contains photos and graphic statements that some may find very disturbing. Given up for adoption by his mother at only a few weeks old, Robert Black is placed with physically abusive foster parents setting the tone for who, and what, he'd become - a pedophile and serial killer. Starting at the age of five, he recalls being sexually curious and began placing items in his anus at the age of eight. He'd sexually assault hundreds of little girls before committing his first murder. Sadly, as law enforcement stumbled along with no leads or evidence, Robert Black would strike repeatedly destroying families and preying on innocent little girls in the United Kingdom. Chris Swinney is the bestselling true crime author of:- Robert Pickton: The Pig Farmer Killer- The Killer Handyman: The True Story of William Patrick Fyfe- Deadly Voices: The True Story of Serial Killer Herbert Mullin- Peter Manuel: The Beast of Birkenhead Serial Killer- The Clairemont Killer: The True Story of Serial Killer Cleophus Prince, Jr.- James Fairweather: The True Story of England's Youngest Serial Killer- Monster: True Story of Serial Killer Peter Kurten- LIST OF 10: The True Story of Serial Killer Joseph Naso He is also the author of the action/thriller "Bill Dix Detective Series" Book 1 - Gray Ghost Book 2 - The Cartel Enforcers Book 3 - Sin City Assassin Book 4 - Full Circle Swinney is an active Police Officer / Homicide Detective in the Oakland, CA area. He donates most of his royalties to various organizations such as: Juvenile Diabetes Research Foundation (JDRF), Cancer research, and PTSD/Military support groups. The proceeds from The Cartel Enforcers go to Koti Fakava's family who passed away leaving his wife and five children.

Great book about horrifying Child Killer Robert Black aka Smelly Bob. This worthless oxygen thief killed at least 5 little girls between the ages of 4 and 11. Thankfully when he abducted his last victim a neighbor saw him grab her and wrote his plate number down and called 911. The cops pulled Robert Black over and found the little girl he had kidnapped curled up in a bag on the passenger floorboard. She was terrified and had been sexually assaulted, but would survive her encounter with Robert Black unlike the 5 other little girls that didn't. Black was sentenced to Life, and hopefully will never get out. As a Parent, I admire the restraint of the police officers, I would have shot the S.O.B.

wonderfully written book regarding tragic circumstances. very in depth and you can tell Mr. Swinney conducted an exceptional amount of research regarding this case. well done.

I can't even imagine the horrors and circumstances Robert Black must have endured growing up in the environment he did. Does not excuse his behavior by any means, but gives the reader an insight to how a child with no love can respond to his or her surroundings without feeling. Very sad for all the families who lost their daughters to such torturous acts of violence and rape

I have always enjoyed reading a CL Swinney book and this one did not disappoint. Thanks for another great story.

A longer effort by Swinney and i liked it. I'm not from the area, but it appears the research was sound and the writing is pretty good. Nice to see a perspective from a law enforcement person writing this one.

Awesome read. Chris Sweeny wrote a compelling story on Robett Black a rapist and Serial killer. The book will give you chills as you will read on the investigation and complexity of solving these

heinous crimes committed by a very disturbed individual.

Once again C.L. Swinney provides an outstanding True Crime story with his newest book *Robert Black*. This time he has taken the reader across the pond to England and Scotland. Normally I like to read his true crimes books in one seating as Swinney provides insight into the minds and workings of some of the sickest minds in criminal history. With the topic of this book, admittedly I had to take breaks after each crime Black committed to reflect and appreciate that my family never had to suffer like those families in the book. Mr. Swinney was able to provide in an excellent way the amount of time, effort and frustration the local police had in trying to solve the crimes. The average reader today has become so CSI-trained they think a serial rapist and killer can be identified and captured in one hour with commercials. When an experienced Police Officer tells the readers it took years and 22 tons of evidence to bring this person to trial it really opens one's eyes. I am looking forward to his next read and the insight he brings to the table.

Good read
