Customer Reviews

Exactly what I wanted, the images are beautiful. For those wondering the postcards include art from Snow White, Cinderella, Sleeping Beauty, The Little Mermaid, Beauty and the Beast, Aladdin, Pocahontas (The first postcard box set to include artwork from this film), Mulan, The Princess and the Frog, Tangled, and Brave. Frozen is not included since Anna and Elsa aren't a part of the official Disney Princess lineup (But Frozen postcards can be found in the Renaissance and Beyond postcard box set) and sadly Moana has yet to be placed in the official lineup so no art from that film either. The majority of the postcards are horizontal printed images with about only fourteen of the images being vertical prints. Which works perfectly with my postcard art wall that needed some new images to freshen it up.

I've bought all of the Disney/Pixar sets and this is my favorite set BY FAR!! I love that they include the less popular princesses like Tiana, Pocahontas and Mulan. Pocahontas is my jam so I'm very happy with this purchase. The postcards are a great material and the pictures are lovely. I love the artistic expression and it brings me back to my childhood. It's a win win all around.

I started collecting the postcard box sets. This one is by far my favorite! It looks exactly how I expected it to. It is so beautiful & I love it!!!
