Customer Reviews

"The Articulate Voice" taps into the most current research to clearly and concisely deliver the basics on voice production and techniques for improving pitch, rate, volume, and quality. One reviewer praised, "This is a rare find in comparison to other voice and diction textbooks." Another calls "The Articulate Voice" "a model of clarity and concision."

This book was required for my voice and articulation theatre class. The exercises are very helpful, and the examples are helpful to understand the different styles of articulations of English..

I learned so much from this book. I needed it for a theater class I took and we used it quite often. I still review it and use the exercises in order to continue improvements in my speech.

A really great read! The author's language was simple and made for easy reading. It felt like a teacher teaching children to understand what she or he is learning. Theresa

good

Awesome

I NEED THIS BOOK FOR MY CLASS, ITS GREAT TO HAVE TO HELP IMPROVE ONES SPEAKING LANGUAGE...IT HELP ME OUT ALOT....I NEED TO STUDY MORE INTO IT.. ITS A MUST HAVE...

the book came really quick but it was a little more beat up than i thought. however the pages are still intact and it was cheaper than other sites.

This book has helped increase my vocabulary and improve my diction greatly, I heartily recommend.
