CHPN Study Guide 2016: Practice Questions For The Certified Hospice And Palliative Nurse Exam (CPHN Study Guide)

Synopsis

The Certified Hospice and Palliative Nurse (CHPN®) examination was designed for experienced registered nurses. Applicants must hold a current, unrestricted registered nurse license in the United States or Canada, and must have 500 hours of hospice and palliative nursing practice in the most recent 12 months or 1,000 hours in the most recent 24 months. This set of high frequency test questions was designed to simulate the actual exam.

Customer Reviews

caring for people when they are at what is perhaps the most difficult stage in life...thank you to all the palliative nurses out there!

I passed! The book covered the content of the test pretty well. It's easy to read, flows well, and gets right to the meat of what you need to know to pass the test.

Not professional at all, typos and although there is no such thing as bad learning I think the larger companies and more expensive ones taught me more.

Fast delivery .

I passed the test! Thank you for the help and reliable questions
