The House That Stands (Amish Parables Book 3)

Synopsis

Seth Beiler is a man focused on building his life with purpose through his strong faith in God. He is a widower with two small children and has fallen in love again with Rachel Hess. She loves Seth but is held back by her devotion to her ailing parents. Rachel's irresponsible brother, Daniel, lifts not a finger to help his sister nor encourage her dreams. It takes an accident at work for Daniel to realize that he faces a decision – to follow Seth's example and build on a solid foundation, or let his old Amish life crumble and throw in his lot with the world outside the community. This moral tale is based on the parable that Jesus told of The House Built on the Rock, and adds a decidedly Amish twist to the tale. It is one book in the Amish Parables series by #1 bestselling Amish fiction author, Grace Given.

Customer Reviews

I can't believe it over. I enjoy it, so much. I was reading really fast, but at the same time and didn't want to to end. Thanks...God bless you.

Wonderful lesson it makes you think of how you are living whether English or Amish we need to build our heart on solid ground...I got a good eye o

I love Amish fiction but this writer did not have the depth of insight into what I perceive as a true Amish fiction novelette. The element that ties the book together with its characters was sadly missing. Kitty
