Milady's Standard Fundamentals For Estheticians 9E - Exam Review

Synopsis

The revised edition of this student practice review contains over 1,000 questions similar to those that may be found on state licensing exams for professional estheticians. It employs the multiple-choice type question, which has been widely adopted and approved by the majority of state licensing boards. The exam review also includes three 100-question practice tests and an answer key for all questions.

Customer Reviews

Joel Gerson has been called the "Master of Skin Care Education" because he is a firm believer in education; as a teacher of skin care, facial treatments, and makeup, he has developed a number of educational audio-visual teaching aids. Mr. Gerson also travels extensively throughout the United States, Europe, and the Far East presenting educational seminars and lectures. He has served as a consultant for a number of major manufacturers working on product development for the industry, and his educational concepts have been presented at major cosmetology shows. Mr. Gerson's professional credits include: Resident makeup artist for The House of Revlon, NY, Spokesman for Lever Brothers, NY, Vice President of Education for Christine Valmy, Inc., NY, Technical Director for the International School for Estheticians and Makeup Specialists, NY. Mr. Gerson is a licensed cosmetologist and holds a teaching license for Esthetics, Scientific Facial Treatments, and Makeup from the University of the State of New York.

I didn't want to waste a lot of time and money going to college for something I might lose interest in so I bought some used books first to see if this is what I wanted to try and learn.

Great book for preparing for state boards! I was well and truly prepared after using this study guide. Hated the exam, but loved this guide!

As Advertised....

This book is outdated and covers only about 10% of the test in the state of Tennessee. But if you are tired of reading your old book and need a fresh view then for a few bucks this is not bad. I got 2 questions from the book on the test, which for me was worth it. Look for something newer, if there's nothing, buy it.

It really helped me with the theory portion of the exam. The science review was awesome. I would recommend it to anyone who needs to take the Esthetician state board exam.

Beats paying full price. Was a good learning tool and necessary for my schooling. Still refer back in it. Great for students.

we did not like dealing with this seller because it took 21 days to receive this order. we order another book which we received in four days.

I purchased this book to study from for my stateboard here in CA. This book was dated and seemed to reflect nothing that was on my stateboard test. I do not recommend this book for California's board it was irrelevant and useless! You're better off not getting it and just going from the test book and other resources!
