# Misty Copeland: Power And Grace

## Synopsis

Power and grace define Misty Copeland—she is an influential ballet dancer who has broken through difficult barriers to become the first female African-American to be promoted to principal dancer at the American Ballet Theatre. Misty has proven that adversity can be conquered by reaching higher and working harder to define what is humanly possible, regardless of the path one chooses to follow their dreams. In Misty's own words, "Finding your power doesn't have to be scary. Instead, it makes you feel in control, strong, and proud." Through the stunning black-and-white photography of Richard Corman and Misty's own words, her inspiring message of hope, strength, and focus speaks to young girls and women. In the introduction, Cindy Bradley, Misty's ballet teacher who discovered and encouraged Misty to develop her talent and follow her heart, gives context to the obstacles and challenges that helped Misty find her power and achieve success. "Misty Copeland is the embodiment of the American dream." — Bill Whitaker, 60 MINUTES

## Customer Reviews

Like the book. Full of different pics. Suitable for a young girl, not so much for reading but more for

looking. Young readers would enjoy.

I sent it back. It was beautiful picture but we were looking for more to read about Misty. It was too expensive to pictures only.

Beautiful book with a powerful message for young girls, especially Black girls. I ordered this for my 13 year old grand niece who is very interested and active in dance. She loved the book.

In process of reading but not finished. So far I love this autobiography. She is amazing and an amazing role model. Her philanthropy is awesome.

This is really a book of just pictures.

I was very impressed with Misty Copeland's book and Firebird. My niece was thrilled to see an African American ballerina in such a prestigious role. She is a great role model.

Beautiful pictures

The age range was listed as 5th - 8th grade. It is a 3rd - 5th grade book.
