## Customer Reviews

As far as functionality is concerned, I have no complaint. My hardcover ESV Bible (several years old) fits and everything, and I like how there's a pocket on each side of the protector. I'm also quite pleased with the "purse" aspect; that was a major selling point for me, having the handles place where they are. I took a star off because the day it arrived, just some hours later, I noticed the lettering on the verse had started to rub off. It's been about a month now--and understand, I'm not "picking at it" or anything--but more of it has come off. It doesn't bother me /that/ much, because the color scheme and the pattern on the brown part are more striking anyway, but for those of you might care, be forewarned.

This is a nice size and will fit my even my large JPS Tanach and any book I choose to take. I wanted it because I like to read my own stuff when going for doctor visits. And since I study a lot, it also has enough room for my sticky notes, highlighters and notepads. I also like that the zipper is right side up with the handles rather than upside down like some. I find that kind to be awkward and most likely that's just me!

I got this one and one for my sister for our NIV study bibles (2011 hardcover), they do not fit. My bible does not fit either, I'll keep them but don't waste your money if you are looking for a cover to hold a thick book.

It was everything I wanted it to be. Quality is great. Delivery time was great. overall service and satisfaction was great. I'm very happy with this product and have been using it for some time now and it still looks new.

The two-tone works very well together. Inside has a zipper pouch to keep accessories. Very happy with the quality and price.

Perfect fit, great quality and perfectly protects my Bible.

The turquoise blue and the brown Bible cover permits pens and a small note pad to be stored in addition to the Bible. The pull tabs include a cross emblem. The inscription has not faded or worn at all after two months of use. The handles make toting it easily accessible.

Beautiful bible cover! This is one of my favorite passages in the bible so I was delighted to find this cover! Lovely!
