You Need More Sleep: Advice From Cats

Synopsis

Our feline friends have spent eons observing, napping, pondering, napping, and taking notes about the human condition. In between naps, they've realized that we humans could use some catlike guidance when it comes to handling the ups and downs of life. In this book they've condescended to share their invaluable wisdom in short advice columns such as "Always Stay at Least 30 Feet from a Loved One" and "Never Let Anyone Dress You." Whether it's coping with romance, surviving a social gathering, or clawing your way to the top of the corporate ladder only to realize you can't get down, the cats in this book will have you relaxed and ready to take on the world! Just after one more nap.

Love these series - We had up to Twelve Cats at one time - Now Just six. Each one has a unique character!!!! Highly Recommend these!!!!!!!!!

So cute. I gave it as a gift

A pleasant bedtime story.

Some cute pics, some funny tips. (Some downright odd, even for cats) Written a little pretentiously, some pages oddly worded, still good. Was perfect as gag Yankee Swap gift. Good quality.

My mom liked it

Great book. Funny and worth it. My wife liked it a lot.

The sweetest little book. I purchased this for my son that didn't take the time to read it. Oh well - It's mine now!

Bought this for my 10 year old grandson who loves cat jokes. He was delighted. Me too.
