Touring In Wine Country: The Rhone

Synopsis

From Condrieu in the north to the distinctive stoney vineyards of Chateauneuf-du-Pape, this guide travels the length of the mighty Rhone to discover the secrets of its world-famous wines. Carefully planned wine routes, marked on detailed vineyard maps, lead the way through each of the region's many appellations. The tours can be followed as a whole or simply dipped into, and every section is complete with helpful lists of recommended wine producers and interesting hotels, restaurants and wine shops. Detours to charming villages and cultural sights that might otherwise easily be missed are another key feature. With stunning color photography and illustrations, this guide book is a delight to read and to use.
