Edition --This text refers to an alternate Paperback edition.

I tried his remedies were I used countless antibiotics and tried his methods and straightened out my birds and are in top Racing condition ever since. This man knows what he's talking about highly recommend all his books.

I am barely getting started in pigeon racing, I found this book very enlightening and helpful to me. There truly isn't a solid bunch of literature on the subject and this has to be the best. This volume bears out as the most concise and completes overview of the natural remedies.

Very informative

Great info.

This is very good book for the remedies of the racing pigeons^s diseases.It also describes the 30 natural products for cure. I recommend it for the benefits fanciers and lovers of the birds also.

Fascinating and insightful. Taught me much about natural remedies that I did not know before. Highly recommended.

Great book, and very useful. Recommended to all!
