Customer Reviews

Bought this for my wife as a gift. She loves the design and the slim profile is perfect for carrying. It is a great companion Bible to the ESV Study Bible for taking to church and carrying with you while out of the house. The font is a nice size and the ESV is an accurate and readable translation. The construction is nice for the price and is perfect for a gift.

I like this Bible. Lightweight, beautiful, and easy to read. The only thing I dislike is the page texture. It is super thin, so no highlighting or it will bleed through! Don't turn the page too harshly or you may risk ripping it.

As advertised. Reasonable price. Wish you could get with a little larger font size.

Bible didn't come as described. Christ's words aren't in red. Otherwise, bible is a great size. Print is

small, but readable. The print from the previous page does bleed through. Overall, I think this is a good first bible. Cheap, easy to read, and perfect size.

Decent Bible for the price. I like the ESV translation. Only complaint is that I see too much text bleed from the opposite page when reading... Kind of like the paper is too thin. Also, there is no cord to save your reading spot.

quality was good. Gave to a friend as a gift, so not sure how it's held up, but she hasn't complained about it and I see her often.

It's the WORD, read it and do it!

Super good quality, not at all what I was expecting. Easily looks and feels like a Bible \$20+. Really like the simplicity of it and I use it as a travel Bible.
