Customer Reviews

This was an optional book for my Immigration Law class. I'm glad I purchased it because it was really useful! Font size was nice and it was easy to find which rule I was looking for quickly.

Only barely through this book, but learned so much already. Very dense and lots to absorb, but it is all there. Excellent for practitioners and students.

This is a dry, tense, and boring casebook. It's what you expect of most law school texts.

I ordered a brand new one but received a worn-out one.....
