Most of the information that I could hear was amazing, I believe this man has something special to offer. but unfortunately the quality of the CD was very bad, I could not hear alot of the information. I would love to get a new copy of the CD so I can clearly listen to the rest of the info.

thank you

Great service, great audio

Superb!!!!

A waste of time.

A bit much in terms of motivational speaking. Not sure I even followed major portions of it - as it sounded like you really needed to be there to get the energy of this speaker.

A very simple effective lesson from Harv, if you wanna be a millionaire you need to ACT like one, and he gives the main characteristics of a millionaire.

Be sure NOT to get the 2 cd abridged version of the course the full course is 8cds and over 8hours long. The full course with downloadable pdf workbook can be found at[...]This is a great audio course which teaches that there are two sides of money or creating wealth. The inner side and the outer side or the mindset and the practical habits. This course gives you both but focuses more on the mindset or inner side of money. Some may not like T Harv's over-the-top motivational style but I think he gives a good balance of both hype and straight-forward how-to advice. The course is a mix of in-studio audio recordings and live seminar audio recordings some of it seems to be in a weird order from bad editing and some parts repeat itself but keep listening its worth it.
