Christmas is an exciting time, especially when it comes to decorating the tree. But is there more to this tradition than simple fun? Told in rhyme, this story details the meaning behind the common ornaments and symbols we place on our Christmas trees each year, as well as the reasons why we top the tree with a star and gather presents underneath. --This text refers to an out of print or unavailable edition of this title.

Crystal Bowman loves writing books for kids. Her books come in all shapes and sizes and many of them have become best sellers. Whether her stories are written in playful rhythm and rhyme, or short sentences for beginning readers, she tries to make them so enjoyable that kids will want to read them over and over again. "But the most important part," she says, "is to teach children that God loves them and cares about them very much."

This book is the perfect. It explains just enough for toddlers to touch on what Christmas is really about. Picures are not great but I think that they are perfect. The pictures don't take away from the

message. Actually might have influenced the decoration of my tree this year!

Wonderful book by grandson was enchanted by it! He immediately picked up on the meaning of things in the poem. Now whenever he sees something mentioned in the book he gets excited and connects it with Jesus. Excellent book, engaging illustrations and lyrical poem.

We love this book and others by Crystal Bowman. This was a great story book to read to little kids to help explain more about Jesus and what Christmas time really means!

Bought this for my grandsons first Christmas. Love that it explains the reason we celebrate Christmas and it's not about the presents but Jesus is why we celebrate!!!

My favorite Christmas book! I love how they incorporate the Christmas tree with the importance of Jesus' birth. It has a lovely rhyme. This one was a little smaller than one I had purchased previously at a store. Just FYI

My kids love this book! Highly recommend as a way to tie Jesus into the Christmas Tree (and other) traditions.

Made of heavy board stock which is what I needed for my 2 year old grandson, the illustrations are very cute and the verse is sweet. It provides a good way to teach children about the real reasons for Christmas.

This book came in a timely fashion and in new condition! It is a GREAT story to read to children at home or at church!! Even though, it's a board book, I don't believe it "offends" or is taken as "babyish" by our grandkids (ages six to twelve)!!!
