DENVER HOMICIDE(Clean Suspense) (The City Murders Book 5)

Synopsis

(THIS SERIES CAN BE READ IN ANY ORDER.)*****DENVER HOMICIDE An airline pilot arrives home on Easter Sunday to discover his wife's lifeless body. Experienced detective Kate Walker, and her young partner Tanner Austin, are assigned the case. They have little to go on, and their frustration quickly builds. When a second body turns up, it only deepens the mystery. Fearing there are more victims to come, the detectives push themselves to unravel a bizarre case of DENVER HOMICIDE.*****Get a FREE copy of the ebook "WHERE'S MY SON?" Customer Reviews

So often I get tired of an author and/or his or her characters. That is never the case with John Dalglish, whether it is a chronological series such as Detective Jason Strong, or the stand alone "City Homocides", every book is a wonderful experience! I highly recommend everything he has written or will write!

One of the best reads I've had in a long time. Excellent character development and a compelling story. Anxiously anticipating the other in the City Murder series, but I will miss the characters in this one. I hope the writer keeps publishing work like this for a long time.

As usual the book is very hard to put down. One thing that was a head scratcher was who is Richie? I finally figured out that one cop was known by two names. But still a great read!!!

I always like the suspense out out by John Dalglish! He has done a good job with the main characters in this procedural. Sit down and enjoy yourself as you get to know a couple of new cops!

I have really enjoyed The City Murders. The writing is very good and the mystery is every thing a good mystery should be. Can't wait for the next one.

Very unusual book. .. first very brief, however the format makes that a good thing. It consists of two detectives talking back and forth to one another about a case and personal drivel. There is no way to start to get to know the characters, the murder plot is pitiful and I would advise you save your money. . .

Once again John Dalglish writes a book that is hard to put down. I have read all of his books to date. If you are looking for clean suspense this is the author I recommend!

Always like John Dalglish books! 5 stars for a book without bad language! You don't have to have the bad language to be a good or relevant read.
