The Frugal Gambler Casino Guide

Synopsis

Though Jean Scott was well-known to a select few Las Vegas aficionados throughout the 1990s, it wasn't until the publication of *The Frugal Gambler* in 1998 that she became a household name to casino players across the country. Since then, it's likely that no gambling personality has been featured more often in the media than this "Gambling Grandma." Her frequent national publicity, her long-term success in casinos around the world, and the solid low-rolling advantage-play techniques she's divulged along the way have all helped catapult Jean's frugal-gambler series into the ranks of best-selling gambling books. *The Frugal Gambler Casino Guide* both updates and backdates *The Frugal Gambler* and *More Frugal Gambling* by covering, in comprehensive detail, the state-of-the-art techniques of casino gambling for low-rollers and the concepts on which frugal gambling is built: how to lose less and play longer.

Customer Reviews

This is not a new book at all. Ms. Scott just copied the old book into this "new" book. It was a complete waste of money.

Awesome book! She fills you in all the 'ins and outs' to the casinos. Thanks Jean.
