Customer Reviews

Good information on basic Portuguese. No differentiation between European and Brazilian Portuguese, though, so some phrases and information is useless/wrong depending upon the context and country being visiting.

Easy to use for commonly used terms.

Actually it was more comprehensive than I had anticipated because it identifies some of the Portuguese speaking countries variation.

Concise and helpful to start my journey learning Portuguese.

Thank you, received fast with my cookbooks. Now I just need to pick up the language again!

Very happy with this purchase.
