Story Of The Last Days Of Jerusalem~From Josephus

Synopsis

The "Story of the Last Days of Jerusalem" is an adaptation of Josephus' dramatic first-hand account of the fall of Jerusalem in A.D. 70 in his famous historical work, "The Jewish Wars." It captures in detail one of the greatest tragedies of all time, often overlooked in more contemporary histories. Some of the scenes are particularly graphic and are not suitable for younger or more sensitive readers. But this volume is an invaluable addition for the more mature student who is interested in studying the final history of Ancient Israel, yet does not have the time to read Josephus' original but very lengthy work. Includes New Testament quotations prophesying the events.

Flavius Josphus (c. A.D. 37-100) was born to an aristocratic Jewish family, served as a priest, and later became the commander of Jewish forces in Galilee following the revolt against Rome that began A.D. 66. Captured by the Romans, Josephus spent his later life in Rome under the patronage of the Roman emperors where he composed his history of the Jewish people and his account of the Jewish war that led to the destruction of Jerusalem and the Temple in A.D. 70. --This text refers to an alternate Paperback edition.

This review concerns only the edition of this book by First Rate Publishers. This edition omits the introduction by Alfred Church, does not have page numbers, and is printed with incredibly small print. There are no illustrations so the pages of small text are quite intimidating, even for my middle school student. The text is clear and not smudged, so at least there's that.

We used this resource as part of our homeschooling curriculum for the study of the time period, the revolt against Rome and the destruction of Jerusalem. Written in living-book fashion the book is engaging and well-suited a read-aloud for the family. A short book, it only took us about two weeks to read.

I read this book as a read-aloud with my kids and all of us were amazed at what happened. This was our first exposure to Josephus and his writings. Josephus tells the story from the perspective on the ground as it happened. I was amazed at how Jerusalem fell and reading a first hand account. Josephus takes you all the way to the predicted fall of the Temple. Alfred Church did a fantastic job putting the book together. This truly is a great addition to our library.
