Major Principles Of Media Law, 2017

Synopsis

Drawing from the expertise of lawyers and professors, MAJOR PRINCIPLES OF MEDIA LAW, 2017, delivers a comprehensive summary of media law that is current through the 2015-16 Supreme Court term. Thoroughly revised and updated every year, this authoritative resource includes the most recent additions, developments, and changes in communication law. The 2017 edition is available in August for fall classes, complete with recent developments through July 1 fully integrated into the text. Insightful "Focus On" sidebars enable readers to explore key legal issues in further depth, while end-of-chapter "What should I know about my state?" features highlight key issues from their home states. In addition, detailed in-margin definitions of key terms explain even the most complex topics in a way students can easily understand, and engaging photos and illustrations are integrated throughout. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
