Ten Keys To Helping Your Child Grow Up With Diabetes, Second Edition

Synopsis

For a child living with diabetes there are a wide range of issues beyond nutrition and medication. There are also significant emotional, psychological, and social factors. In the second edition of this popular book, noted pediatric psychologist Tim Wysocki, PhD explores these critical issues and gives parents ways to better address them. In addition, he provides more information about children living with type 2 diabetes and helpful new information about the needs of children using an insulin pump.

Customer Reviews

Tim Wysocki, Ph.D. (Jacksonville, FL) is the chief of the division of psychology and psychiatry at Nemours Children's Clinic in Jacksonville, Florida, and has been in practice for more than 20 years.

Now in its second edition with updates on carb counting, insulin pumps, and type 2 diabetes in children, *The Ten Keys To Helping Your Child Grow Up With Diabetes* by Tim Wysocki is a "must-read" resource for parents and caretakers of diabetic young ones. Published by the American Diabetes Association, *The Ten Keys To Helping Your Child Grow Up With Diabetes* presents the basics of the special responsibility of supervising diabetic children while teaching them to look after their own health, focusing on such issues as emotional coping, family communication and sharing of diabetes responsibilities, problem solving, social skills, school adjustment, relating to health

professionals, managing stress and much more. This is a superb guide that emphasizes parent-child interaction to best promote good health and good habits for children of any age who are having to cope with diabetes.
