Mistress Of Justice

Synopsis

Taylor Lockwood spends her days working as a paralegal in one of New York's preeminent Wall Street law firms and her nights playing jazz piano anyplace she can. But the rhythm of her life is disrupted when attorney Mitchell Reece requests her help in locating a stolen document that could cost him not only the multimillion-dollar case he's defending but his career as well. Eager to get closer to this handsome, brilliant, and very private man, Taylor signs on...only to find that as she delves deeper and deeper into what goes on behind closed doors at Hubbard, White & Willis, she uncovers more than she wants to know--including a plentitude of secrets damaging enough to smash careers and dangerous enough to push someone to commit murder. Yet who is capable of going to that extreme? With her life on the line, Taylor is about to learn the lethal answer....From the Paperback edition.

Customer Reviews

The ending was a total surprise. 3/4 of the way through, I thought everything was wrapped up, but then a twist was introduced. Again I thought it was wrapped up, but then another twist was brought

in. Great writing. Highly recommend this book.

Jeffery Deavers never disappoints. This complicated legal thriller requires your attention and intelligence. If you ride a stationary bike and read you will lose ten pounds with this book!

I always enjoy Jeffrey Deaver. Got hooked when I saw the bone collector. The twisted plot in mistress of justice was no disappointment. I'll look forward to my next Jeffrey Deaver book!

The second book I have read by Jeffrey Deaver this one took me by surprise didn't see this ending at all good mystery

Good plot too many characters to keep track of But since I love Jeffrey Deaver, I knew I would read this book .. Not as frightening as most of his stories..

Great read

I loved all the twist and turns along with interesting characters. Nice to see an intelligent woman be the hero with no male sidekick.

not the best of Deaver but was entertaining read
