Customer Reviews

I use this along with the Magellan and it helps because of all the construction going on in Vegas.

very up to date maps

Great service. Great product. Thanks !

Great covers all of clark co.If you are sales person you need this. great greatit it itbuy buybbhh jhgd kif

Bought as a gift and they were happy with it

Not up to date for the north end of the strip and I found at least one page that used numbers because streets are so tightly shown, but the key to decipher the numbers was missing. All in all,

this is good enough to help me get around and I can crosscheck online. There is so much construction that I imagine it is impossible to keep any map up to date -- on line or printed.
