Greater Than A Tourist – The Garden Route Western Cape Province South Africa: 50 Travel Tips From A Local

Synopsis

Are you excited about planning your next trip? Do you want to try something new while traveling? Would you like some guidance from a local? If you answered yes to any of these questions, then this book is just for you. *Greater Than A Tourist - The Garden Route, South Africa* by Li-Anne McGregor van Aardt offers the inside scope on The Garden Route, situated in the Western Cape Province of South Africa. Most travel books tell you how to travel like a tourist. Although there's nothing wrong with that, as a part of the Greater than a Tourist series, this book will give you travel tips from someone who lives at your next travel destination. In these pages you'll discover local advice that will help you throughout your stay. This book will not tell you exact addresses or store hours but instead will give you an excitement and knowledge from a local that you may not find in other smaller print travel books. Travel like a local. Slow down, stay in one place, and get to know the people and the culture of a place. By the time you finish this book, you will be eager and prepared to travel to your next destination.
