Secrets Of Mesa Verde (Archaeological Mysteries)

Synopsis

Climb the arid slopes of Colorado to discover the cave dwellings of the ancestral Pueblo Indians. Why were the homes built in the cliffs? How were they used and why did the Pueblo move? Travel along with scientists to find out how their discoveries shed light on the mysteries surrounding this important historical site. Unlocking the secrets of the past is just an artifact away!

Customer Reviews

Bought this to read with our kids before we visited the park ourselves. This was a perfect way to learn the history and significance of the area at a level that could be understood by young children. It was very accurate and informative. Even the parents learned something!

I visited mesa verde in 2017. It is one of the most amazing things to see. Makes you think and visualize how these people lived. I would love to explore more of the unexplored dwellings. I think the parks should build a small one to wonder throughout So you can actually see where they lived.
