Customer Reviews

I assume that this a a print-on-demand product.The cover is very heavy and makes all aspects of musichandling difficult.The actual music page is just a tad smaller than I would haveexpected. The printing is quite light and very difficult for me to see.If the print were lighter, I would call it unacceptable and send it back.As it now stands, I wouldn't buy from this company again at any price knowingthat I risked having to return it because it is unreadable.
