Customer Reviews

I collect bird postcards. I am very H A P P Y with this postcard collection and look forward to buy more to send for Postcrossing.

Wonderful illustrations. Essential for the bird nerd in your life, to either gift them the box, a handful of cards, or to send one at a time.

beautiful

Great quality of illustration and paper, intriguing subject matter.

What a nice gift to give to the bird lover in your life. 100 postcards with detailed bird pictures for your viewing or sending. They come in a hard cardboard for easy storage. Also makes a great teaching tool for the different birds you can name. I highly recommend this group of bird postcards. I was given this book by Quarto Knows for an honest review.
