MINE: Fury Riders MC

Synopsis

Her heart, her body, her babyÃ¢â€”itÃ¢â€”â„¢s all mine. She is sweet, innocent, naïve; IÃ¢â€”â„¢ve got my enemiesÃ¢â€”â„¢ blood drying on my hands. But sheÃ¢â€”â„¢s desperate for a baby, and I decide IÃ¢â€”â„¢m the one to give it to her. Twenty-four hours of unprotected lustÃ¢â€”â„¢s thatÃ¢â€”â„¢s the deal. But she doesnÃ¢â€”â„¢t know that once I get my hands on herÃ¢â€”â„¢s never letting go. At first glance, Josephine looks nothing like the kind of girls I typically screw. SheÃ¢â€”â„¢s too prim and proper. I prefer my women to be wildÃ¢â€”â„¢s that way, I get to enjoy breaking them. But beneath the blond veneer and the pearly smile, thereÃ¢â€”â„¢s a frantic lust. I can work with that. Her mother is dying, and she wants to give her a grandchild before itÃ¢â€”â„¢s too late. So we strike a deal. For twenty-four hours, anything goes. Anything my twisted desires can conceive is fair game. The only goal is for me to put a baby in her bellyÃ¢â€”â„¢s. And then walk away forever. But as it turns out, thatÃ¢â€”â„¢s easier said than done. I never thought IÃ¢â€”â„¢d fall victim to such a powerful craving. Our time has ended, but I need her again. I need her now. And when I find out sheÃ¢â€”â„¢s carrying my son, that seals the deal. Josephine is coming back to me, whether she likes it or not. Nothing comes between me and mine. MINE is a full-length, standalone bad boy romance with an HEA, no cheating, and some very hot sex!

Customer Reviews

I started reading this book and kept thinking I've read th I before. So I got to checking my archived books and this book is exactly like RAW by Ada Stone but the names have been changed. I give this book 0 stars. Had to show one star to get it to publish.

I have to say I loved Lucas and Josephine's story. I really liked how the story started so quickly. Most times it is about chapter 8 before the book really picks up. Not this one. I really like the characters and their backgrounds. Josephine is a take no crap individual and stubborn to boot. She knows what she wants and isn't afraid to go after it. Lucas is all alpha male and a very caring individual. He understands why Josephine wants a baby and he is willing to give it to her, but to walk away from both? That is something he cannot do. I highly recommend this book to anyone who like a good story and an MC one at that. Very little grammar mistakes. Good read.

This book was alright. It's just very wrong to ask a perfect stranger to knock you up. I was drawn to it by two things, MC & a baby. It moves kind of fast with developed characters. It's highly emotional in so many different ways. This story ends happy and hopeful.

This is the first book I have read by this author, and is safe to say I will be reading more books from her. This book was everything I love about a book. It had a possessive alpha man, steamy dirty sex, and of course my favorite, a HEA. All in all a pretty good book.

First off I liked the book , enjoyed the story line I usually download a sample and if I get into the book then I will buy it because it captured my intention , what I liked about this book is it captures your attention right away , no waiting . However the free bonus book stunk . I was flipping threw half the book getting bored I couldn't even finish it .

I like this book. It's the first book of the author that I've read. The characters were well developed, their relationship was mostly realistic. I think it's a good book. It does need a better editor.

This was a good read with interesting characters. Although I'm not a fan of m/c reads, this was a lot better than I thought.

Good book. It could have been longer. I liked the story line and actually wanted to know more. It felt like pieces of the book was missing.
