## Customer Reviews

Got this for my innocent 9 year old son who idolizes Luigi as a basket item from the Easter Bunny. The first part of this book is fine, however the second part is absolutely inappropriate, and quite honestly very distasteful with "jokes" from a much older time period where as a kid in the 80's I felt awkward around older adults who felt it was socially acceptable to be racist and to discriminate. I think every copy of this should be pulled and destroyed and the author should not be permitted to sell materials like this geared towards children or teens, regardless of "free speech" as this is just wrong.

This is a good book I like it a lot. I used one of the jokes from the book my son burst with laughter. It was funny and cool and I learned a lot about Mario. I'm a huge super Mario fan so this made sense to me. I recommended this to all of my super Mario friends.

This is racist and crude. My 10 year old loves Mario and this is very disappointing to him.

Not for kids!!!! I bought this book for my 8 year old grandson, as it was linked as "frequently bought with" some of the Mario early reader. I didn't think to check it in advance. Ugh!! Numerous inappropriate and boorish ethnic comments. It's been trashed.

Jokes are racist and not funny. Not for kids.

Racist jokes, especially inappropriate for young kids.

son loved this book.

Some really old and corny jokes, but my 8 year old grandson loved trying them out on everyone and likes the book.
