Highland Redemption: A Duncurra Legacy Novel

Synopsis

Tomas's life changed forever when at the age of seven he was adopted by Laird and Lady Maclan ending the abuse he'd suffered at Ambrose Ruthven's hand. He'd never looked back and never intended to. But fate had other plans... Now, nineteen years later, he runs headlong into his past. The Ruthvens are in trouble and Tomas is in a position to help them. But can he set aside his hatred for Laird Ruthven for the good of the clan into which he was born? Fate always adds a twist... Laird Ruthven's daughter is not what Tomas expected. Vida Ruthven is sweet, smart, and utterly irresistible. Now, Tomas must choose between being the savior or taking the ultimate revenge.

Customer Reviews

To begin with, sometimes people do change. And there is, perhaps, such a thing as fate. If something bad must happen to drive events to a good conclusion, that is fate. And this book, ultimately, revolves around fate. The redemption of the villain is only a side trip in the plot. The majority of the book revolves around the things that result because of just one set of his actions. The book is entertaining, full of beauty, and descriptive landscapes. The characters are well-built

(and that would not just be physical descriptions either!), and interact in believable ways, so that each scene leads to the next, not necessarily predictably, but so that, in retrospect, that was the correct path. All in all, yet another delightful romp through a few acres of Scotland, with some really wonderful characters.

Another wonderful book by this author! Her characters are amazing, with depth, strength. A fabulous story of good vs bad, "some" redemption, suspense and love! You can't help but fall in love with Thomas (Hot Highlander) and Vida (Beautiful and Smart). I felt I was transported to Scotland with this vivid tale! Also, wonderful words of wisdom from Thomas's parents. I love them, I loved this book!

I really enjoyed the book, thought the plot was different, in a good way, and like that it subtly stressed calmness instead of jumping the gun for vengeance. It showed how greed can ruin lives, it covered the importance of forgiving as apposition to striking out in anger causing the issue to escalate. That is one of the things I enjoy most about your writing... you subtly point out the correct behaviors, consequences for bad behavior and reactions, and wrap it all up into a happy, successful ending. Loved it!

I have read all of the Duncurra book in this series and have enjoyed them all. I have liked all of the main characters and the way all the stories and characters connect but yet each book is a complete HEA story with a different H&H. In this what I assume (but hope I'm wrong) is the last book in the series it all comes full circle and Thomas the cute little boy from the first book is grown up and returns to where he was born. I really enjoyed revisiting his Mother & Father and their history. I didn't like Kathryn's uncle in the first book and still found him repulsive in this book, I couldn't see that he had really changed and had a hard time buying the forgiveness he received from everyone. To me it was kind of like someone killing your husband and you forgiving the murderer because you loved your second husband. Everyone forgiving the cruel selfish uncle just didn't ring true for me. However this is a Historical Fiction and just because I can't imagine being that forgiving doesn't mean that we wouldn't all be better people if we could be more forgiving and put the past in the past. This series of books can be read in any order they are all good however it adds to the depth of the story to know the history and characters of the previous books. I recommend this book and highly recommend this series.

As always Ms. Giltenan has given us a wonderful story of Scotland and the people who made the country what it is today. My ancestors are from Scotland and England so I love nothing more than to read about the passed. This is a wonderful read with many lessons that can be learned from the characters. It also let's us know what has happened to the characters we read about in previous story. Enjoy!

I absolutely adore the Duncurra Series, Highland Solution, Highland Courage, Highland Intrigue and now Highland Redemption. I hope this isn't the last in the series. I have read all four and would hate to see it end. Ceci fleshes out her characters until they seem real. She brings characters into the story from previous Duncurra books and it feels like old friends dropping in for a visit. This series is a keeper and definitely ones you will want to read over and over.

Another amazing book. I have read all of her books. Excellent story teller. Never disappoints. It was wonderful to read about Tomas all grown up. Looking forward to the next book!!!

Loved it!! The characters come alive through Ceci's excellent writing and the storyline was strong without unnecessary events or twists.
