Miami And The Keys (National Geographic Destination City Map)

Synopsis

Waterproof Tear-Resistant Travel Map

Visitors to southern Florida will marvel at National Geographic's City Destination map of Miami and the Keys. An easy-to-read regional map and map of the Miami area are complemented by detailed maps of Downtown Miami, Miami Beach, Coconut Groves, The Everglades, Key West and the entire Florida Keys area. The maps show clearly marked road networks, that are complete with designations for through routes, main roads, one way streets and pedestrian areas. The maps pinpoint hundreds of various public transit stations, hotels, campgrounds, theaters, places of worship, beaches, parks, notable buildings and other points of interest. A user-friendly index of streets, parks, public buildings, hotels, Metrorail and Metromover stations, and other points of interest will help you find your destination and plan your route. Comprehensive maps of the Metrorail and Metromover systems along with diagrams of Miami and Ft. Lauderdale Airports and an overview of the transit system will aid in your acclimation and navigation of the area. Also included are descriptions of popular points of interest in and around Miami, the Everglades, the Keys and Key West. With such an abundance of specialized content that is not available in traditional maps, this destination map is the perfect complement to National Geographic's Miami and the Keys Traveler Guide. Every Destination Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough • capable of withstanding the rigors of any kind of travel.

Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.

Bought this to use in the Keys. Had much better maps at the visitor centers. Miami part was extensive and detailed.

There is nothing wrong with the product other than sending the older publication year twice even after I ordered the newer one, complained, returned it, and received the old one again. I started pulling my hair.... and just gave up....
