Customer Reviews

This is the best guide to carry if you don't have weeks to spend in a city. The recommendations are given concisely and the directions are always clear.

This is an excellent book up to date and available on Kindle, so it can be loaded on an iPhone and used anytime and anywhere.

I really appreciate the Eyewitness travel guides for their ease of use and wealth of information. I like the building schematics/drawings that direct you to the most important features of a location. I seek out Eyewitness travel books prior to trips abroad.

A solid introduction to the Vienna's highlights for those who can only spend a day or two there.

I really like all of the eyewitness travel books. They have the information that is needed when you have limited time and need to get to the point. The color photos, maps and text are excellent.
