Customer Reviews

Adventures in Odyssey are our favorite cd's. They are played every night before bed. They have the best real life stories and give great perspective to the young minds on every day obstacles and challenges they may experience. This Advent collection is a great addition to have and listen to while leading up to Christmas

WE LOVE ODYSSEY. My 14, 13, 11, and 2 8 year olds really love these stories. They have totally changed our car rides from disastrous fighting nightmares to fun family adventures.

Our family had a hard time waiting for the next day! We wanted to listen to them all at once! The

variety of stories made it so fun & always kept it interesting! We always appreciate the character lessons from AIO & this set was no exception. LOVED IT!! Looking forward to listening to them all over again next year!

We love Adventures in Odyssey and this Christmas Collection was a fun way to celebrate Advent together. We just listened to one story a day together as a family as Christmas approached. Thanks Focus on the Family for always providing good, clean, godly entertainment for our kids.

My boys and I both LOVE Adventures in Odyssey. Some of the stories might be considered "cheesy", but the message is good and I don't have to worry about the content of the dramas. We have listened to or own all of AIO albums except the most recent one (#62)!

Our girls love listening to Adventure's in Odyssey. These stories helped us to encourage our children to remember the true "reason for the season!"

My daughter and my mom love to listen to Odyssey together. Good Christian values learned through these stories.

Love Adventures in Odyssey for over 20 years! Purchased for granddaughters. At three and five, they love to go to bed listening to these CDs.
