Customer Reviews

"Ideal for crafters who use the technique as a way to unwind. This collection is ideal for beginners looking for no-fuss patterns that don't require a rainbow of floss colors, or for experienced cross-stitchers seeking a quick, easy-to-finish, small project." --Library Journal "We've long known that cross stitch helps us to relax, and now author Leah Lintz has produced a book to help us make the most of quality time with needle and thread! There are...some truly beautiful, unfussy designs you'll love to hang on your wall to add some serenity to your home." --Cross Stitch Collection Magazine "This fantastic new book from publisher David & Charles is simply on-trend goodness!" --The World of Cross Stitching

A dual citizen of both the United States and the United Kingdom, Leah Lintz was first introduced to

the art of cross-stitching while awaiting the birth of her eldest daughter. She quickly developed a keen eye for the elegant yet simple designs. Thousands of her patterns have been purchased by stitchers from over 35 countries.

I love this book and have done 4 or 5 designs from it already. I love the simplicity of just a few colors and the focus on relaxation rather than "finishing" the project. I put down a project for a month or two, came back, and it was easy to find where I left off and finish it. I hope she makes more!

Great for a beginner, I am enjoying it very much...

I love these patterns. No more cutesy kittens and flowers. Finally something contemporary. I love this. Wish the patterns were easier to read, but this is a book so kind of expected. Maybe patterns can be accessed online?

Gave this book as a gift and she absolutely loved it! Perfect for any cross stitch lover! Detailed book with tons of patterns.

This is exactly what i needed thank you Leah!! Very happy, Beth!

Just a couple appealing patterns. Most all were not my style or readily available online

So excited to give to this to my MIL. Excellent condition. No problems.

Quick, simple but attractive patterns.
