Customer Reviews

Great little guide if you plan on taking a trip to Dubai. Covers the gamut from restaurants, bars, tours, museums, architecture and otherwise hidden gems. I do wish that there were pictures, but each tip had a link to the attraction's Facebook page, as well a map, which is incredibly useful if you're taking the book with you on your device while travelling around. Lots of stuff in here that I would have never thought to do on my own.

"I went to Dubai with my best friend and we both didn't do any research in advance. We got this book and we followed the activities and secrets on it and was perfect! We discovered the real side of Dubai and since there are Maps and directions to all places it makes it super easy! A must have if you visit Dubai"

Book provided a nice summary of interesting places to go. Will come in handy while in the city, especially in kindle format.

I loved the variety of ideas. I'll be in Dubai for five days and now I'm knowledgeable on fun things to do.

Dubai can be mindblowing on it's own but with these tips it's as easy as it can get to find the best places.

Well written, and really good suggestions. Wish i've read this before going there!
