In Parker's (Pastime) 23rd Spenser novel, our hero finds himself, at the behest of his pal Hawk, defending the residents of a gang-terrorized Boston housing project known as Double Deuce. The drive-by shooting of a teenage mother and her child brings the duo into a confrontation with gangleader Major Johnson and his posse. At the same time, Spenser's longtime relationship with psychologist Susan is escalating, and the two agree to live together. The contrast between Spenser's cozy domestic situation (and a new relationship for the enigmatic Hawk, who reveals some of his background) and the poverty and violence of the urban projects reinforces the authenticity of this series, and its quirky appeal. The plot is nothing new--it might be described as Spenser meets New Jack City --but Deuce 's snappy dialogue, timely, fast-paced action and quick characterizations make it classic Spenser. An exceptional history of New Orleans from the vantage of a native living in the 1940's

Love this author and book. An enjoyable and informative read. If you know someone interested in the history of New Orleans this would be a great gift for them

Third time was the charm. Thanks for "going out of your way" to help me find this book

Hawk and Spencer tackle inner city gang/drug issues. Insightfully written.

Great story and as much tongue-in-cheek humor as usual

I'll read anything by Robert B Parker.

As so who has read this book ALOT of times over the years, I still enjoyed it again. It took place in a hard world that most of my life has never seen.

SPENSER DOES IT AGAIN
