Connie Amaden-Crawford is President and CEO of Fashion Patterns by Coni, a member of the Sewing Hall of Fame, and a licensed designer for The McCall Pattern Company under the Butterick label. She is author of The Art of Fashion Draping, 4th Edition (Fairchild Books, 2012).

I don't have an issue with the content of the book itself. I wish I would have bought the previous version of the book that included the a dvd with the videos on it because with the access card you have to register on a website and figure out how to access the content that you paid for, and then your access expires after one year. Not cool.

Required for a class in apparel design. Great illustrations and easy to follow instructions. Worth having in my reference materials. Fantastic book for beginners!

Great book for our Fashion Students at Miami Dade College

Good price

This is the best reference for basic sewing techniques I have ever seen. It is the text for a course that I teach and a staple in my personal sewing library.

The book was in prefect

This is a required textbook. I will be keeping this textbook for my library.
